REUTER'S SYRUP
No. 2

The hereditary blood poison of
scrofula develops in the delicate tissue
of the lymphatic system, and is an in-
fantile, chronic and insidious. It en-
larges the glands of the throat, impairs
the sense of smell and taste, or breaks
into consuming ulcers on the neck. It
destroys the lungs, or fills them with
tuberculous secretions. It eats away
the coating of the stomach, enlarges
the liver, clogs the kidneys, creates
constipation and induces piles. No
human agency can so speedily, per-
manently and economically cleanse the
blood of scrofulous poison, clear the
complexion and skin, seal and absorb
as **Reuter's Syrup No. 2**, the
great blood purifier.

Reuter's Healing Soap

Use it always if you wish for a fair,
clear skin, a soft, supple skin. Gives
a natural tint, imparts freshness, re-
moves blotches, prevents eruptions.

HAWAIIAN AFFAIRS.

The following letter from Mr. Ernest O. Smith, H. H. M.'s Consul-General for Australia and Tasmania, has been forwarded to us through Mr. William Webster, the Hawaiian Acting-Consul in Brisbane:

Sir,—Recently cables have appeared in the Press stating that affairs in Hawaii are disturbed, that a revolution has occurred, or was expected, and that the Queen's life had been threatened! All these statements are utterly false, being without foundation. By the Pacific mail which reached Sydney yesterday I have received information directly contradicting and disproving those injurious reports, and as a matter of fact the peace and contentment of all the nationalities composing the cosmopolitan population of Hawaii, the steadily-increasing and substantial improvements everywhere apparent, are convincing proofs that there is no serious contemplation of interfering with or breaking up of the present eminently satisfactory state of affairs, excepting it may be by a few—a very few—disappointed and discontented politicians with little or no influence. Her Hawaiian Majesty has always strictly adhered to the constitution of the kingdom and displayed a wise and conservative discretion, both as Regent and Queen, and at all times has rigorously condemned pernicious influences in Government and social circles, thereby daily winning the affection of her people, by whom she has always been much beloved for her lifelong and kindly deeds. No ruler of Hawaii has proved more popular than the present Queen, who has been received in all the islands she governs with marked demonstrations of loyalty and affection, together with expressions of perfect approval of her present advisers and of their policy. Efforts are being made to trace out the promoters and co-operators of the malicious falsehoods that have been circulated about the Hawaiian Islands for some years. These efforts are likely to succeed, having the aid of the management of the London Times, upon which paper sundry hoaxes and bogus articles referring to Hawaii have at various times been foisted; notably, lately the Times published a cable regarding an alleged interview with the Queen of Hawaii, in which her Majesty is falsely made to draw invidious distinctions between England and America. The author of this cable is known to be one who basely betrayed those who extended more than generous hospitality to him while visiting Hawaii. In conclusion, I desire to state that the prejudicial reports, rumors, or apprehensions which have been circulated as to disturbances having taken place (up to the 4th instant), or likely to occur in the kingdom of Hawaii, are absolutely false and without foundation, probably emanating from interested persons in San Francisco or elsewhere. —The Queenslander, July 4.

FROM SAN ANTONIO.

Aug. Hornung, a well known manufacturer of boots and shoes at 820 Nolan St., San Antonio, Texas, will not soon forget his experience with an attack of the cramps which he relates as follows: "I was taken with a violent cramp in the stomach, which I believe would have caused my death, had it not been for the prompt use of Chamberlain's Colic, Cholera and Diarrhoea Remedy. The first dose did me so much good that I followed it up in 20 minutes with the second dose, and before the Doctor could get to where I was, I did not need him. This Remedy shall always be one of the main stays of my family." For sale by all dealers. BENSON, SMITH & CO., agents for the Hawaiian Islands.
